

**My son's first goal  
for the school team.  
I could have missed it.**

David, aged 38, lorry driver

## Don't lose sight of the ones you love...

Every day 100 people start to lose their sight. Book an eye test today and, like David, early detection could save your sight.

If you drive for work, you could be eligible for a free eye test to help keep your eyes healthy.
